

The Master of Arts in Speech-Language Pathology at Edinboro University was established in 1974 and since then, hundreds of our alumni have been practicing in the U.S. and around the world. This two-year full-time program begins in the fall semester and students normally complete all degree requirements by July of the second year (internships do not follow the University calendar). It prepares graduates with the knowledge and skills to evaluate and treat a wide variety of communication and swallowing disorders across the life span. A total of five clinical rotations (two on campus and three internships) enable students to develop and refine their clinical skills under the supervision of a qualified practitioner in various settings. Upon completion of our CAA accredited program, a passing score on the national examination in speech-language pathology, and successful completion of a clinical fellowship, graduates become eligible for national certification from the American Speech-Language-Hearing Association (ASHA) and a state license to practice (e.g., in Pennsylvania from the Pennsylvania Board of Examiners in Speech, Language, and Hearing). Students in the program planning to practice in the school setting may also pursue certification as an Educational Specialist in SLP from the Pennsylvania Department of Education.

The master's degree (M.A.) education program in speech-language pathology at Edinboro University is accredited by the *Council on Academic Accreditation in Audiology and Speech-Language Pathology (CAA)* of the American Speech-Language-Hearing Association, 2200 Research Boulevard #310, Rockville, Maryland 20850, 800-498-2071 or 301-296-5700. Any concerns specific to the program's accreditation status should first be addressed to the program and Edinboro University and then to the CAA.

Admission Requirements and Procedures

Individuals seeking admission as degree students in the MASLP program at Edinboro University must comply with the special admissions requirements of this curriculum.

Edinboro University's MASLP subscribes to the national common application for Audiology and Speech-Language Pathology, CSDCAS.

1. [Create an account](#) with CSDCAS and follow the application instructions thoroughly.
2. **All required components of your application must be submitted to CSDCAS before the deadline of February 1st to be considered for admission.**
 - a. Official transcripts from all institutions where you have received college credits. (CSDCAS Verification Department, P.O. Box 9113, Watertown, MA 02471). Edinboro welcomes applications from graduates of CSD programs, as well as any other baccalaureate program. Graduates of the latter will need to complete certain prerequisite courses (see next pages) either prior to or after being accepted into the program, which can be completed in a fall-spring sequence.

Degree Requirements:

Individuals must comply with the degree requirements for the Master of Arts degree listed in the graduate catalog. The student must also complete the National Examination for Speech-Language Pathology (PRAXIS II: Speech-Language Pathology). It is the student's responsibility to schedule this test through ETS prior to completion of the graduate program.

Certification. To be recommended for Pennsylvania Educational Specialist Certification, the student must:

1. Complete all requirements for the Master of Arts degree in Speech-Language Pathology.
 2. Complete one internship that involves providing pediatric services under the supervision of a qualified supervisor. Forms required by the PDE to document performance must be completed and submitted to the Dean of Education.
 3. Complete the online portion of the application through the Teacher Information Management System (TIMS)
 4. Earn a passing score on PRAXIS II: Speech-Language Pathology

For More Information: If you have questions about the application process, please contact Edinboro University's School of Graduate Studies at (814)732-2856 or toll-free (888)845-2890. For questions specific to the master's degree in Speech-Language Pathology, please contact Dr. Mary Beth Mason at (814)732-1287 (mbmason@edinboro.edu).

Office for Students with Disabilities: For information or assistance regarding services, activities and facilities that are accessible to and usable by persons with a disability, contact the Office for Students with Disabilities (OSD), at (814) 732-2462. For additional information, visit the [OSD web page](#).

Graduate Assistantships: [Graduate Assistantships](#) are available for campus-based students only. They are awarded on a competitive basis. Assistantships provide a partial waiver of tuition and a stipend, as well as an opportunity to gain experience in research and professional activities. Additional information about assistantships is available through the School of Graduate Studies and Research, (814) 732-2856 or toll-free (888) 845-2890.

Financial Aid Considerations: An academic year consists of fall, spring, and summer. Graduate students taking graduate level courses may receive a maximum Stafford amount of \$20,500. Most students will use their Stafford loans during the 9-month period (fall and spring). Students will want to be mindful of their financial aid to allow for funding for 12 months if planning to enroll during the summer term. Students will have an option to apply for Graduate Plus loan or private loans if other funding has been exhausted. For more specific information, please contact the Financial Aid Office at (888) 611-2680 or finaid@edinboro.edu.

Employer Reimbursement: Non-traditional students who are working and taking classes on a part-time basis may have employer-paid education benefits. The purpose of the [employer tuition reimbursement agreement](#) is to allow employees who receive reimbursement to defer payment of their tuition and fees until after grades are available at the end of the semester. Edinboro University accepts employer benefit plans through arrangements with the Bursar's Office by completing the enclosed [employer tuition reimbursement agreement](#).

Veterans' Education Benefits: Information and printable forms regarding **Veterans' Education Benefits** and the **Montgomery GI Bill** are available at the Department of Veterans Affairs website, <http://www.gibill.va.gov/>. After the Department of Veterans Affairs approves a student's eligibility, and after the school certifies the student's enrollment, benefits are paid directly to the student after the end of each month.
