### Retirement Classes

#### Winter 2018

##### ***Passport to Retirement - Your "How to" Guide for Financial Success***

This course has been developed to help you learn more about planning for a comfortable retirement. It is designed to give you the tools necessary to make informed decisions regarding your financial future. This course includes information you need to assess the costs associated with retirement, determine your sources of retirement income, improve your investment potential, reduce your financial risk and help you preserve your estate for your heirs. You'll find out how to fight the effects of inflation, avoid unnecessary taxes, and protect yourself from the potentially devastating costs associated with long-term care expenses. You'll learn how to integrate important concepts to help you prepare for retirement. The decisions you make in these key areas will ultimately determine your financial success.

*Participants are welcome to bring a spouse or guest at no additional charge.*
