

EDINBORO UNIVERSITY OF PENNSYLVANIA

Minor: Accounting (1092)

Student: _____ ID: @ _____ Term: _____

The minor in accounting is designed to provide the student with a broad coverage of essential accounting and tax topics needed for a general understanding of how business decisions affect the profitability of businesses. Students will gain an understanding of how financial statements are prepared and interpreted, how taxes impact businesses, how costs affect pricing decisions, and how to maintain accounting records using a computerized system.

Prerequisites: none
